

THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
ANNOUNCES THE AVAILABILITY OF THE
ADMINISTRATIVE RECORD
NEW VERNON ROAD-ASBESTOS MILLINGTON DUMP SITE
MEYERSVILLE, MORRIS COUNTY, NEW JERSEY

36918

The U.S. Environmental Protection Agency (EPA) announces the availability for public review of files comprising the administrative record for the selection of the removal action at the New Vernon Rd.-Asbestos Millington Dump Site, which is located at 237-257 New Vernon Road, Meyersville, New Jersey. EPA seeks to inform the public of the availability of the record file at this repository and to encourage the public to comment on documents as they are placed in the record file.

The administrative record file includes documents which form the basis for the selection of a removal action at this site. Documents now in the record files, include preliminary assessment and site investigation reports, validated sampling data, and other technical reports. Other documents will be added to the record files as site work progresses. These additional documents may include, but are not limited to, the RI/FS report, other technical reports, additional validated sampling data, comments and new data submitted by interested persons, and EPA responses to significant comments.

The administrative record file is available for review during normal business hours at:
